

Haunted Halloween Cookie House Template
www.ThePescetarianandthePig.com

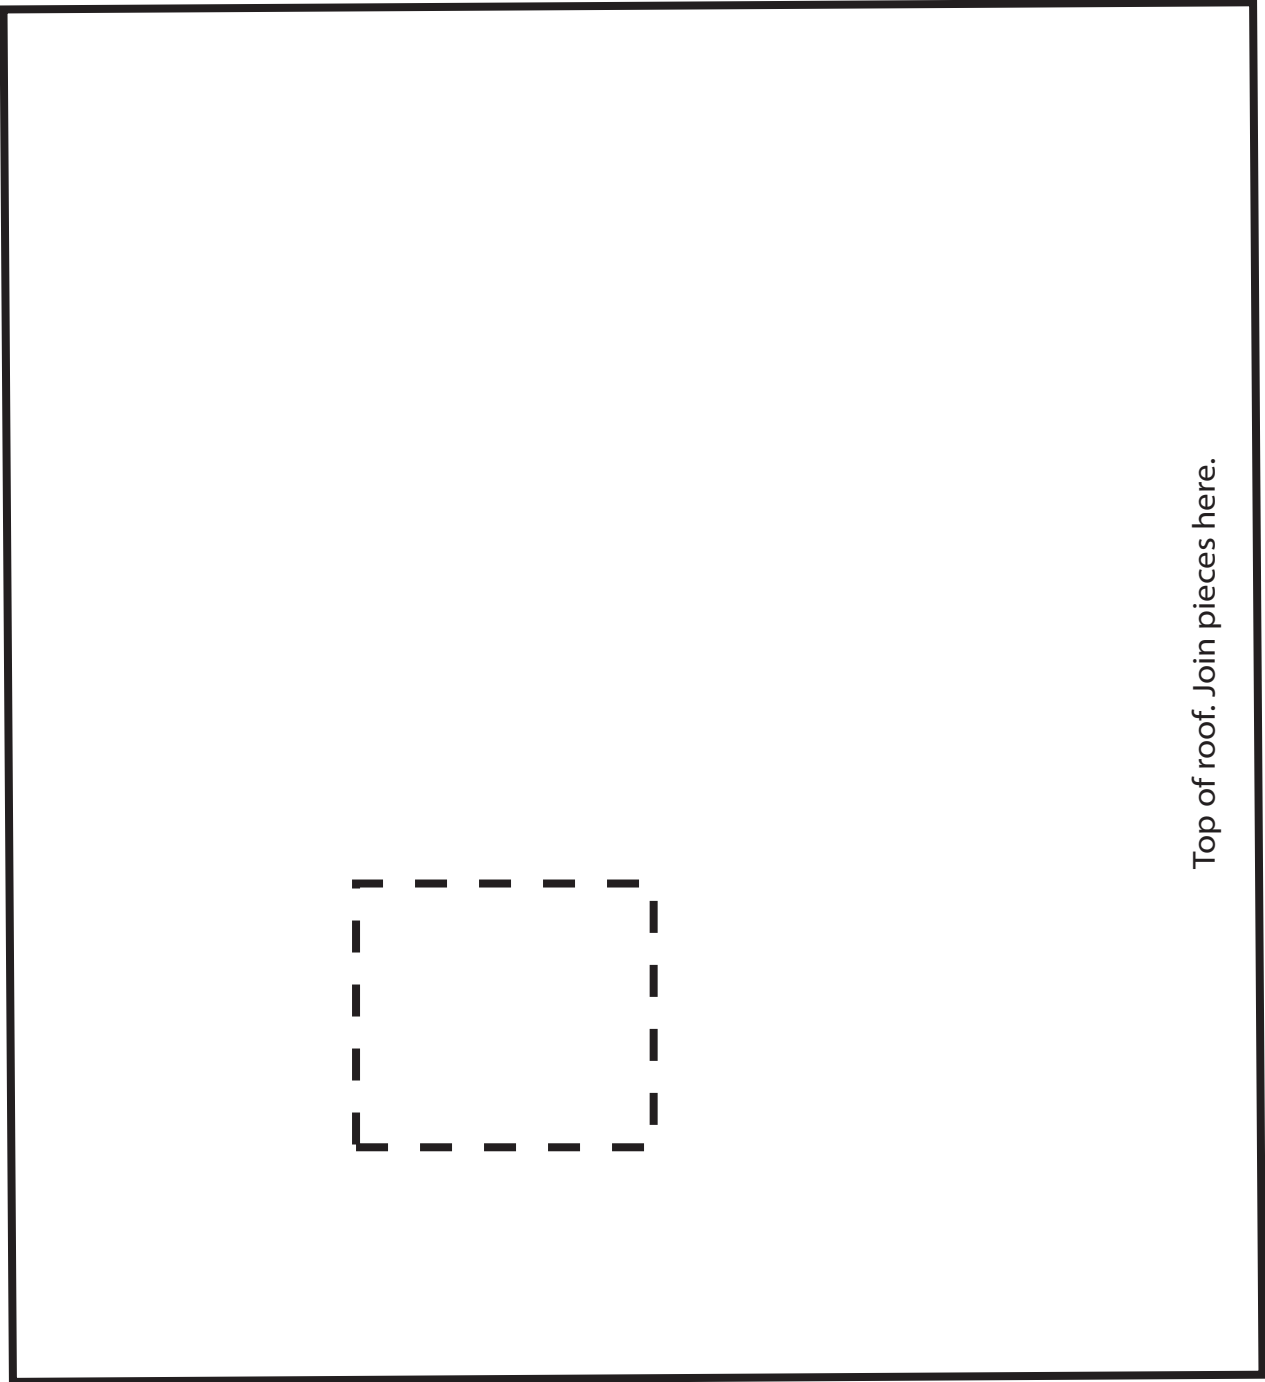

Front and back of house (make 2)
Dotted lines around a 1 suggest where to
cut out windows on the front piece after
baking during cool down.

Dotted lines around a 2 suggest
where to cut on the back
piece of the house after
baking during cool down.
This hole will serve as
the opening to place
battery-operated
candles or glow
sticks to emit
light through
the windows.

Roof (make 2)

Dotted Line suggests where to cut after baking (during cool down) for chimney placement (on **one** roof side only)

Top of roof. Join pieces here.
